Dear Mr. Gerstell:

The pre-inspection questionnaire which you received in late May 1995, and which was sent jointly from the California Regional Water Quality Control Board - Los Angeles Region (CRWQCB-LA) and the United States Environmental Protection Agency (US EPA) was sent to your firm due to an administrative oversight. The US EPA does not expect your firm to respond to this request for information. You should be receiving a similar letter from the CRWQCB-LA.

As a separate issue, I am waiting to hear from you on my request dated 20 June 1995 for access to the Calmat Landfill. I would appreciate a response from you on this issue as soon as possible.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jw NPB".
